PROFILE

I am a passionate and dedicated individual with a strong desire to build a career in web development. The intricacies of this field fascinate me, and I am constantly eager to expand my skills and knowledge. I have developed a solid foundation in web development and seek continuous growth. Additionally, I am a positive, collaborative person who enjoys working with new people and discussing emerging technologies.

PROFESSIONAL EXPERIENCE

Junior Software Engineer (Full Time)

September 18, 2025 – Present

TechnoNext Software Limited

Dhaka, Bangladesh

- Built the front end of a **Lunch Management admin dashboard** (Next.js 16, React 19, TypeScript, Material-UI) — menus, orders, employees, complaints, **QR-based check-in**, and downloadable reports.
- Built the end-user portal for **NextExtract**, a credit-metered **API-gateway SaaS platform**, using **Next.js 16 (App Router)**, **React 19, TypeScript**.
- Implemented **authentication and route protection** on both products with **NextAuth.js / Auth.js (v4 & v5)** and **JWT**.
- Delivered a **7-route analytics dashboard (Recharts)** and real-time order/usage dashboards (**MUI X Charts**), backed by **Zustand, React Hook Form, Zod**, and a centralized **Axios** service layer.
- Followed a **feature-sliced / feature-based architecture** enforced by **ESLint**; added **next-intl** bilingual (EN/BN) support and **next-themes** dark mode; translated **Figma** designs into responsive UI.
- Worked on **Foodi and Cartup**, two well-known live projects in Bangladesh — fixed design issues across **Cartup's admin panel** and contributed to **Foodi's inventory module** design.

Junior Front-End Developer (Full Time)

April 30, 2023 – September 17, 2025

Sayburgh Solutions Limited

Dhaka, Bangladesh

- Developed the front end for the homepage, “about us”, and pricing pages of SaaS product **FoodQo (RMS)** using **Nuxt 2, Storyblok CMS, Nuxt/i18n, Tailwind CSS**.
- Built instructor course pages and contributed to an **e-Food Delivery platform (Nuxt 3, TypeScript, Pinia)** and a tax-payment product for Eid-UI-Adha.
